We are a value-driven organization, committed to teamwork, collaboration, accountability, excellence, integrity and respect. We believe in outstanding customer service and continued process improvement. We are seeking a dedicated individual who displays our shared passion for children and families, values and work ethic.

Early Connections offers additional supports for our staff you won't find in other early education organizations, including a Certified Nursing Assistant (CNA) and two Behavioral Health Specialists on staff to assist with children's health and social emotional development. We also offer professional development opportunities and provide support for family engagement and curriculum and assessment.

**Qualifications:** Must meet Colorado minimum Rules and Regulations for Teachers. Additional coursework may be required based on classroom assignment.

### **Additional Benefits:**

- Child care discount for children ages 3+
